Initiatives

- Empower all learners in our school to reach their full potential and engage in purposeful learning
- Continue to maintain and support teachers / wellbeing across our school for staff and students
- Embed school values & learning dispositions to strengthen school culture
- Grow our staff and students to develop their capabilities and skills as leaders and learners of the future

- Craft and embed a focused curriculum that is relevant and seeks opportunity of our local area whenever possible
- Provide our students with opportunities to develop a knowledge and understanding of local stories and the significance of Maori and local history
- Inspire in our school, a commitment to lifelong learning and Relationship Based Learning underpinning our learner qualities
- Continue to enhance learning spaces in our school

- Ensure that students can say what they are learning, how they are learning and what is next in their learning
- Teachers will design and implement programmes of learning that align with student pedagogy – what are I teaching and why?
- Actively ensure that our learners are supported in developing their strengths, and in areas of growth
- Nurture a culture in our school that encourages and supports creative thinking, innovation and growth

Successes!

Our staff are highly skilled and motivated to apply, engage and inspire learners.

Our students and community are engaged in respectful, positive learning experiences that will support them to be successful in their future lives.

Our students will experience a rich and engaging learning experience that nurtures the diverse and opportunities that our school can offer.

Our school is a strong presence, valued by all.

Students can see that learning is not a chore, but a joyful and leading experience that allows our students to explore, create and innovate.

We respect and value our learners and our learners.
